HISTORY

The Indian Society of Anaesthesiologists, Jammu City Branch was formally and unanimously established in the year 1993 under the esteemed leadership of Dr. Pramilla Sharma, former HOD, GMC Jammu. The founding executive body comprised Dr. Sudershan Gupta as Vice President, Dr. D.S. Charak as General Secretary, and Dr. Gurmeet Singh Reen as Joint Secretary.

Since its inception, the branch has been guided and strengthened by a succession of distinguished Presidents namely Dr. G.B. Kohli, Dr. D.S. Charak, Dr. Satyadev Gupta, Dr. Nandita Mehta, Dr. Gurmeet Singh Reen, Dr. Anita Vig Kohli and Dr. Rajesh Mahajan. Their dedicated efforts have contributed immensely to the growth and recognition of the branch over the years.

Under the able leadership of Dr. Nandita Mehta, the body was formally registered as JSA, marking a significant milestone in its organizational development.

Until the previous year, the ISA Jammu City Branch had consistently witnessed unanimous elections of its executive body. However, for the first time last year, elections were conducted through an online voting system. This was a welcome and progressive step that witnessed active participation from anaesthesiologists across Jammu, ensuring that every member had an equal opportunity to cast their vote and contribute to the democratic process of the society.

JAMMU SOCIETY OF ANESTHESIOLOGISTS (REGD NO. 122 CSA of 2022)
